## Community Service 2009 (CS09)

Community Service 2009 unites the efforts of the Roundtable member companies to improve the communities in which they work, and strengthens partnerships with non-profit partners and public policymakers. Community Service 2009 will include the year long efforts of participating Roundtable member companies. The 12-month initiative will run January 2009-December 2009 and depict the overwhelming role that member companies have in their communities throughout the year.
