Community Build Day 2007 Chairman***

**Community Build Day – August 4, 2007  
450 Builds Across the United States  
Overview of Activities**

**Spotlight on National Service:** Below are a few examples of what our member companies are doing to better their communities on a national level.

**HSBC-North America**

In conjunction with "Community Build Day", employees from all 1,300 HFC and Beneficial Branches of HSBC-North America's Consumer and Mortgage Lending Division will participate in community outreach activities in more than 250 metropolitan areas across the country from August 22 - 31, 2007. The Power of 8500 will engage 8,500 employees during these dates with Rebuilding Together and other non-profits that serve local communities.

**Nationwide**

Nationwide employees are volunteering in Habitat for Humanity builds in several locations around the country.

**Regions Financial Corporation**

Thousands of Regions employees are volunteering their time and effort to lend a hand to their communities all over the country. Regions has become one of Community Build Day's leading companies with more than 20 community service projects focusing on financial education.

**U.S. Bancorp**

Under the leadership of Community Build Day Chairman Richard Davis, the U.S. Bancorp team nationwide was quick to marshal their efforts to cover territory coast to coast.
