

take charge of your financial life

Take advantage of KeyBank's free Learn and Earn classes.

Learn and Earn is KeyBank's comprehensive financial education and awareness program, designed to address the growing need and desire of consumers to improve their financial management skills. Our goal is to provide access to resources that create a strong foundation for economic stability and growth in the communities we serve.

Classes Offered:

"Getting and Keeping Good Credit" classes.

You'll understand how to obtain and manage credit, the first steps to getting good credit, and how to improve your credit score after completing:

- Take Charge of Your Money
- Credit Smart
- To Your Credit (FDIC Money Smart)
- Keep It Safe (FDIC Money Smart)

"Budgeting and Money Management" classes.

Learn how to manage your money and create a budget that can help you to save by signing up for:

- Access Your Money
- Organize Your Money
- Keeping Score
- Set Your Financial Sights
- Count Every Dollar
- Keep It Safe (FDIC Money Smart)

"Checking" class.

Discover the benefits of using a bank, review the different types of checking accounts available, and how to balance your checkbook with:

- Check It Out (FDIC Money Smart)

Money Made Easy.

You can also learn online.

Visit the web address below and click on the Money Made Easy link for lessons such as:

- Budgeting with success
- Managing your money
- All about credit
- Home buying and mortgages

This content is available in both English and Spanish.
