

**Community Service 2011 Company of the Week: Comerica Incorporated  
Week of October 16, 2011**

**Comerica Bank's National Day of Service**

*Texas colleagues helped the environment by clearing trees and creating mulch.*

At Comerica Bank, we believe giving back is an important aspect to helping us unite with the communities where we live and work. Through volunteerism, we can help one another and support the causes important to our colleagues, as well as reiterate Comerica's commitment to the community. Our employees dedicate thousands of volunteer hours each year to local organizations and raise thousands of dollars for worthy charities. We currently encourage colleagues to “Donate 8” hours of service to the community by year's end.

*Dallas colleagues volunteered to help meet basic needs through the local food banks.  
Nationwide, Comerica colleagues packaged nearly 81,000 lbs of food.*

On September 24, 2011, Comerica Bank held the 4<sup>th</sup> annual National Day of Service. Executive-level managers in every market stepped up to lead by example. Nearly 700 colleagues nationwide, and in Canada, stepped up to make a difference in their communities and recorded nearly 7,000 hours during this corporate-wide event.

*Michigan colleagues created works of art for donation to a local hospital.*

*Colleagues used their considerable math skills to build a wheelchair access ramp in partnership with United Cerebral Palsy and United Way.*

Comerica Bank's commitment to the community has also been recognized on a larger scale, as Comerica was named one of five finalists for a statewide community service award in the corporate community leadership category.

Congratulations Comerica Incorporated!
