

## TITLE XV: MISCELLANEOUS PROVISIONS

- **Bailouts to Other Governments:** In considering a proposal for funds at the IMF, the Secretary of the Treasury to instruct the US Executive Director at the IMF to evaluate the country's ratio of public debt GDP and whether the country is eligible for IDA funding. If the loan is not likely to be repaid, the Secretary shall instruct the Director to oppose the proposal.
- **Congo Mineral Custody Provisions:** The SEC must issue regulations for the disclosure of whether the columbite-tantalite, cassiterite, gold or wolframite originated in the Democratic Republic of Congo or an adjoining country and a description of due diligence on the chain of custody to ensure armed forces were not directly or indirectly financed.
